MEDIA RELEASE

Increased Patrols for New Year's Eve Celebration

For Immediate Release

Date: December 31, 2019

The Rock County Sheriff's Office would like to take this opportunity to ensure that everyone celebrates the beginning of the new decade in a safe and responsible manner. We would also like to remind those that are consuming alcohol as part of the New Year's celebration to have a designated driver if they are planning on traveling.

The Rock County Sheriff's Office will be increasing traffic patrol levels this evening and deputies will have zero tolerance for intoxicated drivers. Arrests for Operating While Intoxicated carry stiff penalties and the record will follow violators forever. We are asking citizens to celebrate responsibly and remember how their actions can impact the lives of others.

For the designated drivers, thank you and remember to be cautious of other drivers on the road and any possible winter driving conditions.
