The Rock County Sheriff's Office would like to congratulate several professionals from Rock County for their successful graduation from the Federal Emergency Management Agency (FEMA) Emergency Management Institute's National Emergency Management Basic Academy, including:

- Tamera Kettleson - Rock County Sheriff's Office, Emergency Management
- Chief Scott Marquardt – City of Milton, Police Department
- Chief David Hooker – Village of Clinton, Police Department, Village Administrator
- Corey Passer – City of Janesville, Vacant Building Coordinator

FEMA and Wisconsin Emergency Management partnered to provide this intensive, 4-week educational opportunity in Madison, over the course of several months. As a result of being able to attend locally, Rock County has increased local graduation from the National Emergency Management Basic Academy by over 400%.

Our community partners are key to successfully planning for, responding to, and recovering from disasters that may impact our county. We are very proud of the commitment these individuals have made to their community and emergency management!
