Fontana Man Killed in 2 Vehicle Crash in Bradford Township

On Tuesday, 04/16/19 at approximately 1341 hours, Deputies from the Rock & Walworth County Sheriff's Offices responded to a report of a 2 vehicle crash on E. USH 11/14 at S. CTH C in Bradford Township. Fire and EMS Personnel from Clinton and Darien also responded along with MD-1, a first response medical doctor from Mercy Hospital & Trauma Center in Janesville, WI.

The investigation shows a 2007 Mercury Milan, driven by an 85 year old male from Fontana, WI was traveling northbound on S. CTH C when he failed to stop for the stop sign at E. USH 11/14. The Milan entered the intersection and was struck broad side (T-Bone) by an eastbound 2018 Chrysler Pacifica operated by a 76 year old male from Delavan, WI. The impact of the collision pushed both vehicles onto a vacant business lot to the northeast of the intersection.

The 85 year old male was transported by ambulance to Mercy Hospital & Trauma Center where he was pronounced deceased at 1510 hours. The 76 year old male and his 70 year old wife were also transported to Mercy Hospital & Trauma Center where they were treated and released with minor injuries. All three individuals had been wearing seatbelts prior to the crash.

The Rock County Sheriff's Office Crash Reconstruction Unit responded to reconstruct the crash, which remains under investigation. E. USH 11/14 remained open during the on scene investigation. No citations or arrests are anticipated at this time.
