CONSTRUCTION UPDATE

CTH A (Johnstown to E. County Line)

September 13, 2019

General Information

- CTH A is closed to through traffic so that construction can progress.
- Weather dependent, the current schedule to have CTH A reopened to traffic is November 1, 2019.
- General progression of the construction work is east (from the County Line) to west (towards Johnstown).
 - Currently, our crews are just west of Prairie Woods Golf Course.

Construction

- Topsoil stripping and culvert replacement is continuing.
- Excavation and grading of the roadway is continuing, generally following the sequence below.
 - Excavation and grading of the existing ditches, shoulders and roadway down to suitable soils
 - Installing subgrade reinforcement.
 - Placing select crushed material and base aggregate.
- Once the entire roadway has been completed with this process, asphalt paving can begin.

** All activities scheduled are weather dependent.*
