

**Transportation Coordinating Committee Meeting
Bicycle/Pedestrian Sub Committee**

April 11, 2014

8:30am

**Janesville Municipal Building
Engineering Conference Room, 3rd floor
18 N. Jackson Street
Janesville, WI 53545**

Agenda

- 1. Chair Nolan called the meeting to order at 8:35am**
- 2. Agenda approved by consent**
- 3. Members and Visitors introduced themselves: Joe Scharenbroch, Marlene Holmes, Rob Wilkinson, Terry Nolan, Karl Schulte, Justin Svingen**
- 4. New Business**

After discussion, committee decided to take on two action items within the Bike/Ped section of the TCC Plan. 4.3.4 Explore programs that get bikes into peoples' hands was determined to be an action item of interest because of its potential to assist disadvantaged populations with getting to work. Group discussed need for educating bicyclists who receive a bike.

The committee will seek to learn more about existing resources. Janesville police dept. used to auction abandoned bikes and Terry will see if this is still the case. Storage of bikes is always an issue. ECHO has a volunteer who fixes up donated bikes. Someone from 1st call used to do this as well. Joe will talk to his contacts with Michael's Cycles. Marlene will talk to the Beloit School District, bike shop in Beloit. Justin will talk to his contact at Beloit College.

4.3.3 Disseminate information and raise awareness of the bike trail system and on road bike routes was the other action item of interest. Terry will check on the status of the updated Trail Map.

5. Future Meeting Dates: June 13th at 8:30am

6. Meeting adjourned at 9:45am
