COVID-19 Weekday Update

As of today at 2:00pm, there are 3,555 confirmed positive cases of COVID-19 in the State of Wisconsin. Statewide, 170 individuals have died due to complications related to COVID-19. There are a total of 59 confirmed positive cases in Rock County and four deaths. There have been a minimum of 1,036 negative tests results reported in our county. Data has been corrected, so you may notice the numbers do not match what was provided yesterday due to those corrections.

Please visit our website, www.co.rock.wi.us/publichealth for additional local COVID-19 information updated daily.

Local Data By Zip Code

The Rock County Public Health Department has released a map of COVID-19 positive case counts by zip code in Rock County. The numbers of positive cases has reached a point where risk of individual identification by release of this information is lowered. The zip code map is available on the Rock County Public Health Department website and will be updated periodically. Additional information may be made available as the number of cases increases and risk of individual identification is lessened.
