**MEDIA RELEASE**

**Slow-No-Wake Update**

**For Immediate Release**

Date: July 24, 2020

Deputy Kurt Berberich  
 608-373-3816

According to the US Geological Survey Gauge in Afton, the water level for the Rock River is 6.43 feet. County Ordinance allows for an abeyance of the slow-no-wake speed restriction when water levels are at 6.5 feet or less on the portion of the Rock River downstream from the Indianford Dam to the Beloit Rock Town Line Bridge.

Therefore, the Sheriff's Office is removing the previously declared slow-no-wake speed restriction on this portion of the river. Deputies will begin removing slow-no-wake signs.
