The Rock County Sheriff's Office Rescue Team will train on Lake Koshkonong today, September 9, 2020, during the evening hours. This is a regularly scheduled Rescue Team practice, not a water rescue or other emergency situation. There is no threat to the public. Community members may see Rescue Team personnel on Lake Koshkonong from 2 p.m. to 10 p.m. today. Rescue Team members will practice operating our agency's airboat, which is invaluable for water rescue calls. The Rock County Sheriff's Office Rescue Team trains on a regular basis to maintain skills and team readiness.
