**Slow-No-Wake Update**

**For Immediate Release**

Date: June 18, 2020

Deputy Eric Cisneros

According to the US Geological Survey Gauge in Afton, the water level for the Rock River is 6.50 feet. County Ordinance allows for an abeyance of the slow-no-wake speed restriction when water levels are at 6.5 feet or less on the portion of the Rock River downstream from the Indianford Dam to the Beloit Rock Town Line Bridge.

Therefore, the Sheriff's Office is removing the previously declared slow-no-wake speed restriction.
